## KTC Home School Agreement

The Home School Agreement is a three-way partnership between KTC, parent or carer, and student, based on mutual trust, keeping the educational needs of the student in mind. *The purpose of the agreement is to ensure everyone is clear on their roles to ensure the best learning environment possible.*

### A. KESSER TORAH COLLEGE

*We agree to uphold our core values:*

#### 1 Excellence

- commitment to the highest level of education
- achieving individual full potential
- professionalism/excellence in everything we do

#### 2 Derech Eretz

- respect the school & everyone including yourself
- tolerance/acceptance of others no matter who they are
- integrity and honesty

#### 3 Nurturing Environment

- creating a learning environment
- providing opportunities for personal growth
- caring for the interests of the individual

### B. PARENT / CARER

*I / we agree to:*

- Make sure my child is asleep early enough to get a good nights sleep, e.g. research recommends eight hours sleep is needed to ensure a child is fully awake for learning the following day
- Ensure my child attends school every day on time, unless they are sick
- Limit my child's leave during school time, e.g. to emergencies, ensuring I discuss these with the school and complete a leave form
- Contact the school by 9am on our child's first day of absence
- Make sure my child brings the correct resources and wears correct uniform
- Ensure that a regular time and place is set aside for homework
- Let the school know of concerns that may affect school performance
- Fully support the school's discipline policy with a home consequence should my child receive a detention, for example removing use of digital devices for a week
- Collect my child if they refuse to follow reasonable instructions or allow them to catch the bus home alone if I'm unable to collect them.

**C. STUDENT**

*I agree to respect KTC's values at all times by:*

- Supporting the school's ethos both on and off campus
- Acting responsibly traveling to and from school, as well as when on trips
- Attending school and lessons on time, wearing the uniform correctly
- Following teacher's reasonable requests first time
- Listening in silence to teacher's instruction and classmates contributions
- Putting good effort into all lessons to ensure I progress to the best of my ability
- Respecting the school environment by not dropping litter, or damaging or defacing school property and equipment
- Using all digital devices; mobile phones, laptops, tablets and computers etc as explained in the school rules
- Ask if I need help in any way

I understand that the school will respond appropriately to serious breaches of the Behaviour Policy.

Mr S. Gurewicz  
Acting Principal
