REMINDERS

Kosher – Students may only bring Kosher certified food to school for their recess and lunch. If you are unsure whether a food item is Kosher, you may check the NSW Kashrut Authority Kosher Products Directory at www.ka.org.au or check with your child's Jewish Studies teacher.

No Hat No Play – Students must bring a hat to school every day. We also encourage the application of sunscreen before school. This year we will be sending home small reminder notes with the younger students if they forget their hats.

Water Bottles – Please send a labelled water bottle to school every day.

Uniforms – Students should be in full school uniform everyday which includes school coloured hair accessories (for girls - navy) and polished school shoes. The Summer school uniform is required for Term 1.

Labels – We always have a large amount of lost property at the end of each school term so please ensure that all items are clearly labelled with your child's name.

No Nuts - KTC does its best to be an allergy aware school. We have numerous students at KTC who live with the risk of anaphylaxis to foods. We can never totally eliminate the risk of an anaphylaxis but, we can all do things that will help lessen the risk. Please consider the children with food allergies when packing your child's school lunch and **avoid sending any food product containing peanuts and tree nuts**. There are students in Year K who also have severe allergies to **sesame** so please be mindful about sending products containing this. It is also important to have conversations with your children about sharing food so that other children do not accidentally eat something they shouldn't.

Healthy Eating – We encourage students to eat healthy foods at school to help keep them focused. Please remember to pack fruit each day for Crunch and Sip and a healthy lunch. Chocolates, lollies, softdrink and cordial is not allowed at school and will be sent home.

You will be informed of your child's **Library** and **Sport** days by the end of the first week of school.

INFORMAL JEWISH EDUCATION

At Kesser Torah we know that parents want the very best for their children. To help your child reach their full potential, we have created a range of exciting informal Jewish education events and programs for them to take part in during Term 1. From class Tu B'Shevat parties to Purim, the Grand Chidon trip and Matzah Bakery, there is something for everyone. Our team of dedicated educators is looking forward to providing the platform for these memorable and meaningful experiences, so get ready for your children to come home with stories and memories of their incredible Jewish learning!
