

ANTI-BULLYING POLICY & PROCEDURES

POLICY

As part of our commitment to the Kesser Torah College (KTC) values of Derech Eretz and a love of Lifelong Learning, KTC strives to create and maintain an environment where students, staff and others who form part of our community feel safe, secure, respected, and supported as they learn, work, and socialise. This means, amongst other things, creating a positive culture where bullying of staff members, students, parents/carers, or visitors on campus will **NOT** be tolerated or condoned under any circumstances.

Expectations and Responsibilities

KTC expects every member of the KTC community, including, staff, students, parents, and visitors, to work cooperatively to achieve these goals. This means that all members of the KTC community are expected to:

- Be aware of and up to date with KTC's position on bullying as set out in this document.
- By their own actions and statements, reinforce within the school community that bullying is unacceptable.
- Make every reasonable effort to prevent bullying behaviour.
- Remain alert to signs and evidence of bullying and to report bullying of anyone to members of the Senior Management Teams in Primary and High School.

The remainder of this document explains what bullying is, how we work at KTC to achieve our policy goals, and how we expect parents to work with us.

What is Bullying?

Bullying is unreasonable and sustained behaviour that causes a person or people to feel frightened, shamed, humiliated, threatened, excluded or in pain. It is usually conduct that is repeated or that happens over an extended period, although sometimes a single act of nastiness or violence can be bullying. It is also usually intentional conduct.

It is important to note that bullying can occur by:

- Student of student
- Teacher of student
- Teacher of Teacher
- Student of Teacher
- Parent/Carer of Teacher
- Teacher of Parent/Carer

Bullying can occur in many different forms, including through:

- **Physical acts** - unwelcome or deliberately aggressive physical contact or deliberate damage to property
- **Verbal conduct** - the sustained or repeated use of language to threaten, shame, hurt or humiliate including put-downs or teasing.
- **Gestures** - the use of non-verbal signals to cause intimidation or fear.
- **Exclusion** - deliberately leaving someone out on purpose to cause feelings of rejection and hurt (including taking friends away)

- **Extortion** - the use of threat or power to obtain favour or goods e.g. making an individual do thing that he/she does not want to do
- **Negative conduct based on race or religion** - such as antagonism or prejudice.
- **Cyber-bullying** - including text messages, chat lines, social networking sites such Facebook, Twitter, Instagram, SnapChat, TikTok etc., repeated phone contact, email contact which harasses or causes distress.
- **Sexual conduct** - unwelcome attention or contact of a sexual nature.
- **Bystander conduct** - any encouragement of bullying behaviour by those watching, including recording, laughing, or commenting on the bullying. It includes not actively seeking to prevent bullying. In addition, bystanders who allow bullying to occur and do not report it, are guilty of supporting bullying.

Bullying can occur at school, or at school events such as excursions, and online.

Bullying is **NOT**:

- Children not getting along or arguing.
- Mutual conflict which involves a disagreement, but not an imbalance of power (if the conflict is unresolved, it could turn into bullying)
- Isolated cases of social rejection
- Isolated cases of “being mean” to one another.

However, these behaviours, while not strictly “bullying”, are not consistent with KTC’s values, and KTC may act in response to these incidents, even if they are not strictly “bullying”. It is also not bullying for teachers to take reasonable disciplinary action.

What are the possible signs that a student is being bullied?

Many children will not tell their parents or caregivers directly if they are being bullied. Watch for unexplained changes in behaviour and sudden anxiety or distress, and please talk to your child’s classroom teacher or Head of Primary, Head of High School or the Heads of Student Welfare (GHS/BHS) if you have any concerns.

Prohibition of Corporal Punishment

It should be noted that corporal punishment as a means of punishment for unacceptable behaviour is strictly prohibited at KTC and KTC does not explicitly or implicitly sanction the administration of corporal punishment by non-school persons, including parents, to enforce discipline at KTC. Corporal Punishment does not appear in any form as a manner of punishment for unacceptable behaviour at KTC.

Procedural Fairness

Procedural fairness or the ‘hearing rule’ includes the right of the person against whom an allegation is made to a fair hearing.
